

Willard Field Trip List for summer 2014

Because this activity will take place away from Willard Community Center, there are some special considerations and procedures which apply. We have outlined these below:

Your child's participation in this special activity is voluntary. Your written consent at the bottom of this form is necessary for your child to participate.

Participation in activities away from Willard may potentially involve risks and responsibilities for you and your child that are beyond the scope of those normally associated with traditional Willard functions under our supervision. These may include, for example, personal injury or damage to personal property. We encourage you to inquire in advance concerning the nature and details of each field trip and of any potential risks which will be assumed through participation. By signing below, you acknowledge that you have made yourself aware of any potential risk associated with the field trip and that you voluntarily and knowingly assume all such risk.

If your child fails to abide by Willard's rules of conduct and staff instructions during the trip, it may become necessary to discontinue his/her participation in the activity.

I hereby give my permission for my student to attend the below listed possible field-trips.
