# Summer 2021 Field Trip

## Permission Slip

Because this activity will take place away from Willard Community Center, some special considerations and procedures apply. We have outlined these below:

Your child's participation in this special activity is voluntary. Your written consent at the bottom of this form is necessary for your child to participate.

Participation in activities away from the program may potentially involve risks and responsibilities for you and your child that are beyond the scope of those normally associated with traditional program functions under our supervision. These may include, for example, personal injury or damage to personal property. We encourage you to inquire in advance concerning the nature and details of each field trip and any potential risks that will be assumed through participation. By signing below, you acknowledge that you have made yourself aware of any potential risk associated with the field trip and that you voluntarily and knowingly assume all such risk.

Willard will provide car/booster seats for children 8 and under to follow car seat regulations. All students who fall within the 8 and under category will be required to be in a car/booster seat; otherwise, we will not be able to provide transportation for your child.

By signing below, I am indicating that I am allowing my child to swim in water over his/her head at Lincoln City Pools with trained lifeguards. (Kids will be in designated areas based on swim tests performed with trained Lincoln City Lifeguards.) \*\*\* Preschool & Pre-k age children will NOT go swimming. \*\*\*

I hereby give my student permission to attend the field trips listed on the back of this page. I consent that I understand the rules and regulations expected.

## **RULES:**

If your child fails to abide by Willard's rules of conduct and staff instructions during the trip, it may become necessary to discontinue his/her participation in the activity. Field trips and/or swimming may be taken away from children if they have not earned the privilege to attend. Willard administration and staff have the right to decide if your child cannot attend a particular outing due to behaviors.

## **DISCLAIMER:**

At this point, Willard's Administration is planning field trips and swimming outings as normal. Please understand that these are not set in stone. If Willard Board of Directors, Administration, or the Health Department feels safety for the children or adults is in danger due to the pandemic, we will stop all field trips and swimming until further notice. Your registration fee is non-refundable regardless if field trips or swimming outings are made.

## **FIELD TRIP DATES & TIMES:**

A schedule of field trip dates and times will be given out to families in May. If children are not on-site at Willard Community Center when the van leaves, your child will not be able to attend the field trip/swimming.

Drop off at a location other than Willard will not be permitted. Picking up at a location other than Willard will not be permitted (unless there is an emergency).

## **SWIMMING HYGIENE:**

Children will be required to come with a clean towel and suit each swim session. If your child does not have a suit or towel, he/she may not be able to attend swimming for that session. Sandals brought or worn on swim days are preferred. Children will be required to wear shoes to and from the pool. Your child may keep a spare set at Willard if you prefer.
